Primary Exempt Purpose

Primary Exempt Purpose

The mission of the Rockfish Valley Foundation is to preserve the natural, historical, ecological and agricultural resources of the Rockfish Valley. We accomplish this through enriching the lives of our community by supporting the Nelson Scenic Loop, Spruce Creek Park, the Natural History Center, six miles in the Rockfish Valley Trail System, and the lands associated with them. The mission further supports conservation, recreation, preservation and environmental education and promotes a rural tourism experience in the Rockfish Valley of Nelson County, Virginia. We aim to inspire a healthy lifestyle by offering hiking trails, programs and events, and support in the Nelson County school system. The lands serve as an outdoor laboratory for students, the community and visitors alike.

areas demonstrated the four elements of described above: water, rocks, plants and animals. Four kiosks were educate the four elements. Picnic areas were included to encourage lengthy stays in this very natural environment. Pollinator areas were planted. A 900' trail was improved so that a family can walk an outdoor area and be personally involved with environmental elements. Our mission statement emphasizes environmental education. All our efforts are directed to this conclusion.

educational elements (Children's Nature and spruce Creek Park, or the Rockfish Trail System of 6 miles of trails) one will see this theme reflected in these areas. In the NHC displays were upgraded and changed. Display materials were needed to accomplish this. This was the first upgrade in two years. It is felt by the director and docents that two years is the maximum that a museum can exist without some re-orienting of the material, in order to keep public interest. 2,500 visitors enter the Natural History Center a year. We also added to our educational materials. We maintain three computer terminals for public use and their educational value increases as we add additional programs. These terminals are oriented to specific areas of environmental concern.

Even in the January, February and March time frame, when the NHC was closed, the Trail System and the Spruce Creek Park continued to have regular use. Trail and parking lot improvement - the parking lot was formed, scraped to remove topsoil, underlaid with polypropylene and filled with a fine gravel. The 900' of trails were scraped to remove topsoil, underlaid with polypropylene and filled with a fine gravel. Sand was spread in the educational areas.
